### Here are some writing prompts:

Write about yourself and your family (where you live, what you like to do, etc.)

Write about upcoming holidays and how you celebrate.

Write about Hope City and your involvement in the church.

Write about how you are praying for them.

Send them a note wishing them a happy birthday.

Share some favorite Bible verses and other encouraging words.

\*Please refrain from asking questions because the kids receiving your letter will not be able to write back directly to you. They will be writing back to the church as a whole.

Please limit your letter to 450 words or less. Please compose your letter into a Word or Pages document and email it to [louise.pletta@wearehopecity.com](mailto:louise.pletta@wearehopecity.com)
